ABOUT CDN

CDN Solutions Group was started as a team of four in the year 2000, by two passionate entrepreneurs, Mr. Surajit Mitra and Mr. Chetan Naik, who had this irresistible dream of building an organization that would embrace everything from soup to nuts of the IT services industry. Our team currently stands with 270+ exclusive full-time employees, can boast of 2200+ projects, covering a gamut of technologies and solutions. When it comes to solutions we have excelled in supply chain management, POS ecosystem, eCommerce, warehouse management, ticket booking, location-based apps, etc. Our years of experience in the hands-on development of mobile applications have rendered us all the more efficient in delivering the best solutions equipped with the right technologies and functionalities. We are always ahead of the curve when it comes to advanced technologies like the Internet of Things, Machine Learning, Artificial intelligence, AR, VR, Blockchain and Salesforce.
